PREAMBLE

The Board and the Association, in keeping with the educational philosophy of this district, agree that the educational welfare of the children of this district is paramount in the operation of the schools and will be promoted by both parties.

ARTICLE 1 - RECOGNITION

The Miami Trace Local School District, hereinafter referred to as the "BOARD" recognizes the Miami Trace Education Association, as affiliated with the Ohio Education Association and the National Education Association, hereinafter referred to as the "ASSOCIATION" as the sole and exclusive agent representing the bargaining unit. The bargaining unit shall be defined as all certificated/licensed and four-year degreed employees, which may include pre-school teachers, who are under contract with the Board to teach a full school year but excluding all substitute teachers, Core Subject Specialists, administrative assistants, principals, assistant principals, athletic director, and all other administrative and/or supervisory employees as defined by Chapter 4117 of the Ohio Revised Code.

The Association recognizes that the Board is the duly elected body charged by law with the sole authority and responsibility to establish the education and other policies of the Miami Trace Local School District to the extent permitted by law and retains all of the legal authority granted to it pursuant to law except as expressly modified by a specific provision of this contract.

ARTICLE 2 - NEGOTIATION PROCEDURES

A. Initiating Negotiations

1. All requests for the initiation of negotiations shall be made in writing. The request initiated by the Association shall be directed at the Superintendent; the request initiated by the Board shall be directed at the President of the Association. The written request for negotiations shall include:
 - a. Date of letter
 - b. Statement of matters to be discussed
2. A written reply shall be sent by the receiving party within five (5) calendar days of receipt of said request. This letter shall include:
 - a. Date of letter
 - b. Time, place and date of three (3) proposed dates for the initial negotiating session
3. All negotiations shall be in accordance with the provisions of this contract

B. Negotiation Sessions

1. The parties shall meet at a time and place established under Section A of this Article for the first negotiation session. Negotiations shall be conducted using the interest-

based bargaining approach upon agreement by both parties. A time, place and date for the next session shall be established before concluding the first and each successive negotiation session.

2. At the first meeting, the Association and the Board shall exchange with each other their specific negotiation proposals. Subsequent to the first meeting, no new or additional proposals shall be submitted by either party without the consent of the other party.

C. Negotiation Teams

1. Each team shall be made up of six (6) people of the party's choice. In addition, legal counsel may be present with 48 hours advance notice. Each team may designate a chairperson.

D. Information

1. The designated representatives of the Board and the Association agree to make available to each other upon written request, if possible, within five (5) days all available public information on issues being negotiated. The parties may call upon competent consultants to provide input and/or presentation on issues being negotiated. If one of the parties wishes to have a consultant address the bargaining teams, that party shall give the other party at least five (5) calendar days' notice of the identity of the consultant and the subject area he will be discussing. The expense and cost of any consultant shall be paid by the party utilizing the consultant.

E. Study Committee

1. The parties may appoint adhoc study committees to research, study, develop projects, reports and programs, and to make recommendations on matters under consideration. The committee shall report all findings to both parties.

F. Definitions

1. "Day" means calendar day unless otherwise indicated. "Regular work day" means 7 hours and 30 minutes. This will be pro-rated for part-time employees.
2. "Good Faith" -The obligation of the parties to bargain with each other for the purpose of reaching an agreement on matters which are negotiable. All parties are obligated to deal openly and fairly with each other. If a proposal is unacceptable to one of the parties, that party is obligated to give its reasons and offer counter proposals. Such obligation shall not require either party to change its proposal on any matter being negotiated.
3. "Party" when used shall mean the Association and the Board.

G. Progress Reports

1. The Association and the Board agree that all negotiations shall be conducted in private. Progress reports may be issued by either party.

H. Caucuses

1. Either party shall have the right to recess for independent caucus at any time. Each caucus shall be limited to one (1) hour unless otherwise mutually agreed.

I. Item Agreement

1. As negotiation items receive tentative agreement, they shall be reduced to writing and initialed by each party. Each initialing shall not be considered binding nor is a final agreement by the parties and it is expressly understood by the parties that the tentative agreement reached on any items may be withdrawn by either party at any time during the negotiations process.

J. Agreement

1. When an agreement is reached by the teams, that agreement shall be reduced to writing and signed by the chairperson of each team. Each team will recommend favorably to its members the acceptance of the tentative agreement. The tentative agreement shall be submitted to the Association for possible ratification and the results of the ratification vote by the Association's membership shall be communicated to the Board in writing by the President of the Association. Upon receipt of the notification that the Association has ratified the agreement, the Board shall meet within fourteen (14) days to consider the approval or non-approval of the tentative agreement.
2. Only if the agreement is ratified and approved by both the Association and the Board shall it become part of this contract. No provision of the resulting agreement shall discriminate against any staff member because of membership or non-membership in the Association.

K. Impasse

If an impasse is declared by either party, the party shall jointly contact the Federal Mediation and Conciliation Service and request the assistance of a mediator in an effort to resolve the dispute. In the event that mediation does not produce a settlement, the Association agrees to submit the Board's offer to a vote of its membership.

Every member of the Association shall have the right to vote on the Board's offer. The vote on said offer shall be conducted by written secret ballot. If the offer of the Board is not rejected by at least three/fifths (3/5) vote of the total membership of the Association, then the Board's offer shall be binding on the Association.

In the event the Board's offer is rejected as provided above and the contract provisions at issue have expired and the Association has issued its required ten (10) day strike notice, then in that event, ultimate impasse shall be deemed to exist and the Association has the right to strike on the issues subject to negotiations.

The impasse procedures contained in subparagraph K shall supersede and replace the impasse procedures contained in Chapter 4117, Ohio Revised Code.

ARTICLE 3 - GRIEVANCE PROCEDURE

A. Definition of Grievance

A grievance is a complaint involving the alleged violation, misinterpretation or misapplication of this contract.

The grievant shall be defined as the person who has allegedly been harmed by the alleged violation, misinterpretation or misapplication of this contract.

In the event there is a grievance which involves a number of teachers in one school, it may be submitted as a group grievance. The teachers involved in the grievance will be named on the grievance form.

In the event there is a grievance which involves a number of teachers in more than one school, it may be submitted as a group grievance by the Association and may be instituted at step two of the grievance procedure, if the Association so elects. The teachers involved in the grievance will be named on the grievance form. The grievance forms are attached and designated as Exhibits "A" and "B."

B. Step One

Any person having an issue/concern shall first discuss such issue/concern with his/her principal. The person shall indicate to the principal that this is Step One of the grievance procedure. If the employee elects to bring a representative to the meeting, the principal may have a representative as well. If said issue/concern is not brought to the administrator's attention within thirty (30) calendar days after the employee knew or should have known of the action giving rise to the issue/concern, it shall be waived.

C. Step Two

If the discussion at Step One does not resolve the grievance to the satisfaction of the employee, such grievant shall have the right to file a written grievance with the building principal. If said grievance is not filed within thirty (30) calendar days after the grievant knew or should have known of the action giving rise to the grievance, said grievance shall be waived. The written grievance shall contain a statement of the alleged facts upon which the grievance is based and a reference to the specific provision of the contract or Board policy allegedly violated, misinterpreted or misapplied. The grievant shall have the right to request a hearing before the building principal at this level. It shall be at a time mutually agreeable to the grievant and his/her principal. If the grievant is accompanied by a representative of his/her choice at the hearing, the principal may likewise have a representative of his/her choice as a witness or observer at said hearing.

The principal shall take action on the grievance within seven (7) days after receipt of said grievance or if a hearing is requested within seven (7) days after the conclusion of said hearing. The action taken and the reasons for the action shall be reduced to writing by the principal and sent to the grievant.

D. Step Three

If the action taken in Step Two does not resolve the grievance to the satisfaction of the grievant, the grievant may appeal in writing to the Superintendent or his/her designee. Failure to file such appeal within seven (7) days from the receipt of the written decision of the principal shall be deemed a waiver of the right to appeal. Upon request, a hearing shall be conducted by the Superintendent or designee within seven (7) days of the receipt of the request or at a mutually agreed date. The grievant shall be advised in writing of the time, place and date of said hearing and shall have the right to be represented at such hearing by a representative of the Association and the principal/supervisor may be represented by a person of his choice.

E. Step Four

If the action taken by the Superintendent or his/her designee does not resolve the grievance to the satisfaction of the grievant, the grievant may appeal in writing to the Board. The notice of appeal shall be sent to the Superintendent or his/her designee and a copy filed with the Treasurer of the Board. Failure to file such appeal within seven (7) days of receipt of the written decision of the Superintendent or his/her designee shall be deemed a waiver of the right to appeal. The Treasurer shall place the matter on the agenda for the next regular meeting of the Board in executive session. The grievant and the principal shall have the right to be represented at such meeting by a representative of their choice.

The Board of Education shall act upon such appeal no later than its next regular meeting. Copies of the written decision of the Board shall be sent to the grievant, Superintendent or his/her designee, and the building principal.

F. Step Five

If the grievant is not satisfied with the decision of the Board at Step Four, the grievant, with the written approval of the Association, may appeal the grievance to arbitration if it involves an alleged violation of the contract. The notice of appeal to arbitration shall be sent to the Treasurer of the Board and the Superintendent. Failure to file such appeal within seven (7) days of receipt of the Board's decision at Step Four shall be deemed a waiver of the right to appeal.

If an appeal is filed, the parties shall jointly request a list of nine (9) names from the American Arbitration Association from which the arbitrator shall be selected by the alternate strike method. Either party shall be entitled to request a second list. The arbitrator shall have no power to alter, add to or subtract from any of the terms of the agreement as written.

The arbitrator shall hold the necessary hearing and issue his or her decision within thirty (30) days from the date of hearing unless a different time period is agreed to by the Board and the grievant. The decision shall be in writing and set forth the findings of fact, reasoning and conclusion on the grievance submitted. The decision of the arbitrator shall be advisory only and copies of the decision shall be forwarded to the Board and the grievant.

The Board shall consider the recommendation of the arbitrator at its next regular meeting after receipt of the decision along with the evidence and responses provided at each step of the grievance procedure and take action to either grant or deny the grievance. The fee expense of

the arbitrator shall be shared by both parties.

The grievant shall have the right to process the grievance directly to court without the utilization of the grievance procedure if it involves an alleged violation of the contract. The Board shall not raise the failure to file a grievance as a bar or defense to the filing of a lawsuit.

No reprisals of any kind will be taken by or against any party or participant in the grievance procedure by either party.

G. Miscellaneous

Grievance conferences shall be conducted at reasonable and mutually agreed to times so as not to hinder or restrict school operations. Such conferences will be set by the appropriate administrator at a time agreeable to the grievant within the time limits of the step involved.

Any of the time limits established for this grievance procedure may be waived by mutual agreement of the parties involved.

A grievance may be withdrawn without record.

ARTICLE 4 - ASSOCIATION RIGHTS

- A. The Association shall have the right to lease and/or utilize a portion of a school building for total membership meetings provided it is not needed for school purposes. In order to exercise this right, the Association shall obtain the approval of the principal in advance.
- B. The Association shall have the use of teacher mailboxes and the internal mail system (during non-instructional hours) to distribute notices, circulars and other Association material provided a copy of said material is given to the principal prior to placement in the teacher mailboxes.

- D. The Board shall provide bulletin board space in each building for the Association to post notices for its members.
- E. Upon arrival at building, the Association representative will first check in with the building principal or designee prior to making any visitation.
- F. The Association shall have the right to use copy machines, duplicating computers and other available technology equipment provided it pays for expendable supplies associated with said use and pays the cost of any damage due to negligence of the Association while being used by the Association.
- G. The Association shall be granted up to a collective total of five (5) days of leave with pay to perform Association duties including members of the bargaining unit attending the OEA representative assembly. The bargaining process does not count as any of the five (5) days. In addition, the Board will provide release time and coverage of classes to Association building representatives and officers to attend meetings in the District scheduled by the administration

which occur during the work day. This release time will be for meetings which require Association presence or representation and which could not be scheduled after the work day. (Example, public complaint conferences, meetings with the Superintendent or other administrative staff, etc.)

- H. Policy -The Board of Education will maintain the policy book on the District Website.
- I. At the conclusion of the a.m. session of the teacher in-service day at the start of the school year, an Association representative shall have the opportunity to meet and speak with all teachers, without administrators present, if requested by the Association President.
- J. The President of the Association shall be provided with a directory of all current and newly hired teachers of the district.
- K. The Association President shall receive notice of any regular or special Board meetings in accordance with the requirements of the "Sunshine Law." Notification shall be on the same basis as it is provided to the news media. A copy of the Board's agenda and minutes shall be provided to the Association President.
- L. Upon written request of a member received by the Board Treasurer between September 1 and September 30 of the school year, and the written request of an employee hired after September 30 of the school year which is received within thirty (30) calendar days of the new employee's first working day, the Board Treasurer shall deduct Association dues from the paycheck of a member. Deductions shall be made in equal installments beginning with the first pay period in October and continuing with each pay period through August. For those newly hired employees after September 30, deductions shall be made in each pay period in equal installments spread out through the August pay periods. Association members are responsible for paying the full balance of their annual dues and any balance due will be deducted from the final pay.

Upon request, the Board shall also make payroll deductions for the following:

1. New tax shelter annuities not currently being deducted provided a minimum of five (5) employees request the same company;
 2. Wright Patterson Credit Union;
 3. Any other current deductions being made as of the execution of this contract.
- M. The Association will be permitted to use the electronic mail system of the District.
 - N. If the District applies for a grant which requires the signature of the Association, a copy of the grant application will be given to the Association President within ten (10) days of its receipt by the Superintendent.

ARTICLE 5 - FREEDOM OF CHOICE DUES

It is agreed by both parties that all employees have the right to join or not to join the Miami Trace Education Association. Membership in the Miami Trace Education Association or the payment of any dues, or fees to any such organization, shall not be required as a condition of employment, nor shall any such membership or payment be involuntarily imposed upon any employee.

ARTICLE 6 - REDUCTION IN FORCE

The Board may suspend an employee's contract in order to achieve a reduction in force due to any reason set forth in Ohio Revised Code Section 3319.17.

In making such reduction by suspending contracts, the Board shall proceed in accordance with the recommendation of the Superintendent who shall, within each teaching field affected, give preference to continuing contracts.

When reduction in force (RIF) becomes necessary, it shall occur in the following order:

1. Any bargaining unit member who has a plan for improvement or a professional improvement plan and an ineffective rating in the most recent evaluation.
2. Any bargaining unit member who has a professional improvement plan and a developing rating in the most recent evaluation.
3. Any bargaining unit member with a developing rating in the most recent evaluation.
4. Any bargaining unit member with a skilled or accomplished rating in the most recent evaluation.

Within each of the items (1), (2), (3), and (4) the evaluations shall be considered comparable under R.C. 3319.17 such that reductions shall be made in such a manner that the persons in those areas having the least seniority will be the first to be suspended. If a RIF occurs during the current school year, all evaluations shall be considered comparable.

When a staff reduction is to be recommended, the Superintendent shall give notice to the Association and the affected teachers at least fifteen (15) calendar days prior to such action of the Board.

If a vacancy occurs in the teacher's area of certification/licensure and if the teacher has taught within that area of certification/licensure within the last four years, teachers meeting these qualifications on the priority list will be offered the vacancy before outside applicants are considered, giving preference first to continuing contract teachers, and then in reverse order of suspensions as identified above.

If a teacher is certified/licensed for the vacant position but has not taught in that certification in the last four (4) years, he/she shall be considered as an applicant for the vacant position and will be interviewed for same.

If a teacher refuses an offered vacancy, his/her name shall be removed from the priority list and the Board's obligation hereunder terminated.

The Board has fulfilled its responsibilities herein by sending a written notice of vacancy to a teacher on the list by certified mail at the last address left by the member. Unclaimed, refused, non-deliverable notices, as well as failure to respond within ten (10) days of the posting of the notice, shall constitute refusal of the vacancy.

ARTICLE 7 - PROVISIONS CONTRARY TO LAW

This contract supersedes and prevails over all statutes of the state of Ohio (except as specifically set forth in Section 4117.10(A) of the Ohio Revised Code.) However, should any court of competent jurisdiction, determine, after all appeals or times for appeal have been exhausted, that any provision herein is unlawful, such provision shall be automatically terminated but all other provisions of the contract shall remain in full force and effect. The parties shall meet within ten (10) days after the final determination of unlawfulness to bargain over its impact and to bring the contract into compliance. If the parties fail to reach an agreement over the effective provision, the dispute settlement procedure in Article 2 of the contract shall be utilized to solve the dispute.

In the event the student day starting time is delayed or ending time is shortened because of bad weather

or other emergency, the teacher reporting time will be delayed and the end of the teacher work day will be shortened accordingly.

Non-Compensated Meetings Outside of the Regular Workday:

The work day shall include attendance at faculty meetings and other necessary and reasonable conferences, meetings and supervision which occur outside of the regular work day, not to exceed one-hundred and twenty (120) minutes per month beyond the maximum work day.

8.03 – Duty Free Lunch

8.04 – Planning and Preparation

All full time teachers shall receive a planning/conference time equal to one class period in length; three (3) out of five (5) planning times shall be uninterrupted during a complete five (5) day week. Teachers teaching half-time or more shall receive planning/conference time proportionate to the length of their workday.

It is understood and agreed that there may be times when a teacher may not receive plan time on a particular day due to the necessity of scheduling an IEP, IAT or other student-associated meeting during the plan time. However, the building administration will make reasonable efforts to insure that teachers are not adversely impacted by the scheduling of these meetings.

Both parties acknowledge that on days when the start of school is delayed or on those days when school is released early, the planning time contemplated herein may not be available.

After reasonable attempts to secure a substitute have been unsuccessful, then teachers will be asked to voluntarily take the place of another teacher and shall be compensated at the internal-sub rate per period if the teacher has to give up his/her conference and planning time. The internal sub rate shall be \$19.00 per period.

In the event of a need for a substitute teacher in their building, the administration, in its discretion, may contact current Miami Trace teachers from another building who have not yet started or have completed their regular school day, to provide substitute services. This option is to be used only in the event that an internal substitute within the original building is unavailable.

Any teacher who provides substitute services will be paid in fifteen (15) minute increments, at a rate of \$6.35 per fifteen (15) minute increment.

8.05 – Posting of Vacancies

A vacancy is defined as an opening existing in a bargaining unit position as the result of the creation of a new position, reassignment, resignation, retirement, non-renewal or termination of an employee. If the Miami Trace School Board or Superintendent receives a letter of resignation between the last May board meeting and the last August board meeting, MTEA supports the immediate posting of the vacant position before the resignation is board approved.

All vacancies including supplementals for the next school year shall be distributed through district e-mail when a vacancy occurs. These vacancies shall not be filled until ten (10) days after posting through July 10. Vacancies posted after July 10 will not be filled until four (4) days after posting.

Teachers in the employ of the district shall be considered for vacancies prior to consideration of other potential employees. Teachers who are interested in transferring or applying for vacancies shall notify the Superintendent's office via email. Such notice shall remain on file in the Superintendent's office from September 1 through August 31 and shall be reviewed when vacancies occur. The Superintendent's office will send an email of acknowledgement to any teacher who sends in a request for a transfer.

All interests in supplemental positions shall be emailed to the building principal or the direct supervisor of the specific supplemental position. The building principal or direct supervisor will send an email of acknowledgment.

All vacancies shall be emailed to all employees on their district email, provided to the Association President and will be posted on the district website after the internal posting expires and if it is not filled internally.

If no current employee of the district applies for and is granted the position, those teachers on the recall list shall be offered the position.

A copy of the recall list shall be provided to the Association President at the beginning of each school year or any time there is a change in the list.

8.06 – Personnel File

The official personnel file of each member shall be maintained in the office of the Superintendent. This shall be considered a confidential file, except for that information which is directory information. In addition, principals may maintain separate anecdotal files; however, upon request a teacher may review anecdotal records about him/her.

Upon advance written request, members shall be able to review his/her personnel file in the office of the Superintendent. The file may be reviewed in the presence of the Superintendent or his/her designee. The member shall have the right to be accompanied by an Association representative. A representative of a member shall be given access to the file of said member upon presentation of written authorization from the member, including the signature of said member.

A member shall have the right at any time to attach a written reply to any material being placed in his/her file and this reply shall be attached to the material in question. Anonymous materials shall not be placed in an employee's file nor be a matter of record.

If a member of the public requests to review a teacher's personnel file, the teacher will be notified of the identity of the person making the request and the items requested for review, when possible. If the identity of the person is unknown, the teacher will be notified that his/her file has been accessed or requested to be accessed.

Any member shall have the right to obtain a photo static copy of any item in his/her file.

A member, at their request, may have written statements entered into their personnel file which pertain to special awards, honors, recognitions, or other accomplishments that indicate the type of person they are, if they can substantiate the validity of such.

The provisions of this section of the contract shall not be construed as limiting the rights accorded to a member pursuant to Chapter 1347 of the Ohio Revised Code including the right to challenge the timeliness, accuracy or relevancy of said material pursuant to 1347 of the Ohio Revised Code.

8.061 -Discipline

At any meeting which may lead to disciplinary action being taken against a teacher and which will be documented in the employee's personnel file, the teacher shall be notified in writing of the nature of the meeting. The teacher shall be entitled to be accompanied by a representative at the meeting.

8.07 - Public Complaint and Procedure

Action concerning a complaint by a member of the community other than a student shall be governed by the procedure set forth in Board policy.

8.08 – Non-Renewal of a Limited Contract

In the event that the Superintendent intends to recommend the non-renewal of the regular limited teaching contract of a member of the bargaining unit, he/she shall give a member of the bargaining unit notice of his/her recommendation prior to the Board meeting at which the recommendation will be made. The teacher will also be advised by the superintendent of the time, date and location of the Board meeting at which he will make this recommendation. The teacher will not be entitled to a hearing with the Board at that time.

In the event the Board votes to non-renew the limited teaching contract of a member of the bargaining unit, that member shall have a right to appeal the decision pursuant to the provisions of 3319.11 of the Ohio Revised Code. However, it is understood that the issue upon appeal is whether the Board failed to comply with 3319.11 of the Ohio Revised Code. This provision does not apply to supplemental contracts.

8.09 – Evaluation Procedures

A. Members of the bargaining unit shall be evaluated as follows:

1. Evaluations will be conducted by an administrator who is a credentialed evaluator and holds a license established in Ohio Revised Code.

2. A teacher/counselor not under consideration for renewal or nonrenewal who is subject to a full evaluation cycle shall be evaluated based on at least two (2) formal observations of at least thirty (30) minutes each and periodic walkthroughs each school year.

The first formal observation of a teacher will be a holistic observation where the evaluator assesses all areas of the rubric demonstrated during the observation as well as information gained from the mandatory pre-observation conference or other sources selected by the evaluator.

The second and any subsequent formal observation(s) of a teacher will be focused observations in which the evaluator, emphasizes identified focus areas(s). 6. A teacher/counselor who receives a rating of “Accomplished” on his/her most recent evaluation may be evaluated once every three (3) years. The teacher/counselor will be required to submit a self-directed professional growth plan to the evaluator, and the evaluator will determine if the teacher/counselor is making progress on the plan. The professional growth plan will focus on the most recent evaluation of the teacher/counselor. The teacher/counselor will be provided with at least one (1) informal observation and post-conference in any year that such teacher/counselor is not formally evaluated.
7. A teacher/counselor who receives a rating of “Skilled” on his/her most recent evaluation may be evaluated once every two (2) years. This notification is being required in order to give the administration adequate notice to evaluate the employee for the purposes of awarding a continuing contract. Failure to provide the Superintendent or designee this notification shall constitute a waiver, by the employee, of his/her right to a continuing contract at the end of the school year. The employee shall be evaluated for a continuing contract the succeeding school year if he/she is re-employed by Board and requests continuing contract consideration. Upon receipt of the notification required under this provision, the Superintendent may request additional information from the employee regarding professional development qualifications and any other matter the Superintendent believes to be relevant in the consideration of whether to grant the continuing contract.

If the Superintendent intends to recommend an extended

limited contract, the Superintendent must advise the member, in writing, of the reasons for this recommendation and shall meet with the teacher upon the member's request.

In addition, insurance eligibility for reemployed teachers who work part-time shall be governed by Article 13.01.
- c. The contract of employment will be for one year and is automatically non-renewed at the conclusion of that school year without the need for compliance with O.R.C. Sections 3319.11 and 3319.111. Reemployed teachers will be evaluated pursuant to Article 8.09.
- d. The reemployed teacher will not resume and is not eligible for continuing contract status during any period of reemployment with the District.
- e. In the event of a reduction in force, the reemployed teacher will not have any bumping rights under Article 6.
- f. Such reemployment will not jeopardize the continuation of existing academic programs nor result in the reduction in force of faculty employed at the commencement of each such reemployment contract.

The Board agrees to annuitize each member's total contribution to STRS by deducting that amount before each member is paid. The procedure shall be as follows:

The Board shall designate each teacher's mandatory contribution to the State Teacher Retirement System of Ohio as "picked up" by the Board although they shall continue to be designated as employee contributions. The amount of the employee's income reported by the Board as subject to federal and state income tax shall be the employee's total gross income reduced by the then current percentage amount of the employee's mandatory STRS contribution. No employee's total salary shall be increased by such "pick-up", nor shall the Board's total contribution to STRS be increased thereby. There shall be no increased cost to the Board, except administrative costs necessary to implement this program.

The members of the bargaining unit acknowledge the Board is not liable as the result of the implementation of this program and that the employee shall assume any liability as the result of an adverse ruling by the Internal Revenue Service. If there is an adverse determination by the courts or the Internal Revenue Service, this pick-up provision shall become null and void.

13.06 - Severance Pay

The maximum payment which shall be made shall be 30% of the accumulated and unused sick leave of the retiree.

Such payment shall be based on the member's daily rate of pay at the time of retirement. Payment of severance pay shall eliminate all sick leave credit accrued by the retiree.

If an employee has submitted his/her resignation for the purpose of retirement and has been Board approved prior to May 1, the employee may utilize one (1) unexpected day of sick leave in May without jeopardizing their maximum sick leave balance. This absence requires a doctor's note.

In the event a member dies before retiring as an employee of the Board, and at the time of death met the eligibility requirement for severance pay, the board shall make the severance payment called for by this provision directly to the deceased employee's estate.

13.07 - 125 Plan

Tax-free reimbursement for qualified expenses related to employee premiums for medical, dental, cancer and supplemental insurance shall be included in the Plan. The Board shall retain the services of a third party administrator to oversee and administer the Plan. The Board shall initiate this Plan as soon as the third party administrator can properly set up

and begin to implement the Plan. This Plan will be available to employees as long as it is made available by the IRS or until such time as it is negotiated to be removed from the agreement.

All employees will be given the opportunity to participate in the Plan during open enrollment, or at the time of their initial employment.

13.08 - Super Severance

In the event an employee resigns his/her employment with the Board for retirement purposes effective the end of the work year he/she first becomes eligible to retire with reduced benefits until the first time he/she is eligible to retire with unreduced benefits through STRS, which includes total years of service from any other public retirement system, he/she will receive a lump sum payment of \$10,000 plus severance pay as provided in the contract, so long as that employee has been an employee of Miami Trace Local School District for the prior ten (10) years. The last time an employee is eligible to receive the super severance is the first year he/she becomes eligible for unreduced benefits.

Eligibility to retire is defined by STRS.

Payment pursuant to this provision shall be made on the first pay following the resignation date after approved by the board of education.

In order to receive super severance, an eligible employee must submit his/her resignation of employment for retirement purposes by March 15 of the school year he/she is first eligible to retire and retire through STRS at the end of that school year.

13.09 - Tuition Reimbursement

A. The Board will have a fund in the amount of \$40,000 for each school year. Half the funds shall be made available from July 1 through December 31 and the second half shall be available from January 1 through June 30. Any money not distributed in the first half year shall roll over into the next half year, but shall not roll over into the next school year. Teachers applying for reimbursement shall be reimbursed twice a year at the following rates as long as money remains in the fund:

\$225.00 per semester hour to a maximum of ten (10) hours per school year.

1. For the purposes of this section, the school year shall be defined as July 1 through June 30. For the purposes of distribution, the half shall begin July 1 and January 1. Eligibility of funds shall be determined as of the start date of the class during the particular half, e.g., if a teacher's class begins August 1, he/she is eligible for the funds for the July 1 half.

B. In order to be eligible for reimbursement, the semester hours must meet the following qualifications:

1. Course work which is necessary for the employee to renew and retain current certification/licensure, or

2. Course work which is part of a planned program for additional educational certification/licensure, or
3. Other course work approved in advance by the Superintendent.

C. Procedure for Tuition Reimbursement

1. For the purpose of this Section only the definition of “school year” shall be from July 1 to June 30.
2. Applicants must apply for approval of reimbursement to the Superintendent’s office, and notice of approval or disapproval shall be given to the applicant within fifteen (15) days of the application. Approval for a class that starts between January 1 – June 30 must be submitted by June 15 of that year. Approval for a class that starts between July 1 – December 31 must be submitted by December 1 of that year.

Any change in courses or timing requires a new submission of the tuition reimbursement form which resets the process for reimbursement.

3. Applications shall be in writing on the proper form (Exhibit “C”), and submitted to the Superintendent.
4. Applications for reimbursement will be processed in the order they are received in the office of the Treasurer until the funds appropriated for a particular school year are exhausted.
5. Approved applications for reimbursement must be received by the treasurer’s department within 30 days of receipt of a passing final grade report.
6. Reimbursement of approved course work shall be made within thirty (30) days following submission of successful completion of the course with a grade report or certified transcript and receipt of payment.
7. The applicant must be an employee of the Board at the time of enrollment and at the time that reimbursement is due.
8. The Treasurer will notify the Association President when the annual maximum for the District has been expended.
9. If a teacher leaves Miami Trace School District within one year of payment for additional classes, 100% of the tuition reimbursement monies paid to that teacher must be repaid to the Board prior to the end of the teacher’s employment. Should the teacher fail to make such payment, the Board may attach and withhold any wages or salary due to the teacher for such repayment. Special consideration to waive the requirement to repay the Board could be given by the Superintendent if a teacher has cause to leave the district beyond the control or intent of the teacher (for example; spouse’s relocation to another state).
10. Applications may be submitted the semester before the class starts.

ARTICLE 14 - HEALTH AND SAFETY

The Board shall provide employees with a safe and healthy place to work in accordance with Chapter 4167, Ohio Revised Code.

Teacher Performance Evaluation Rubric

The **Teacher Performance Evaluation Rubric** is to be scored holistically. This means evaluators will assess which level provides the best *overall* description of the teacher. The rating process is to occur on completion of each 30-minute observation and post-conference. To determine the rating for each 30-minute observation, the evaluator is to consider evidence gathered during the pre-conference, observation, post-conference and classroom walkthroughs, if applicable. Note that when completing the performance rubric, evaluators are not expected to gather evidence on all *indicators* for each observation cycle. Likewise, teachers may, but are not required to, bring additional pieces of evidence to address all *indicators*. The professionalism section of the rubric may use evidence collected during the pre-conferences and post-conferences as well as information from the Professional Growth and/or Improvement Plan, if applicable.
